## Meet our Speakers...

### ***Rev. Eric Andrae***

Lutheran Student Fellowship & International Student Ministry of Pittsburgh (LSF-ISM) extends Christian friendship to all domestic and international students, faculty, staff, and their families, offering the love of Christ in Word and deed. It helps those served to grow into and mature in the Christian faith through worship, study, community, service, and much more! Other examples of specific activities include weekly Divine Service with the First Trinity Congregation, weekly student Bible Study/dinner/compline, retreats, social events, ongoing pastoral visitation and care including counsel for various life-changing decisions and crises, English as a Second Language, adult catechesis leading to baptism and confirmation, etc.

### ***Rev. Robert Marshall***

Lutheran Heritage Foundation (LHF) has been translating, publishing, distributing and introducing books that are Bible-based, Christ-centered and Reformation-driven, for over 25 years. From children's Bible story books to Luther's Small Catechism to "academic" books, LHF has been translating our Biblical, Lutheran theological books into other languages worldwide and giving them away. LHF has published over 1,000 titles in over 100 languages and has distributed them in over 80 countries. Missionaries will come and go, but a book can last forever.

### ***Robert Ardner Jr.***

Operation Barnabas. In 2007, The Lutheran Church-Missouri Synod's Ministry to the Armed Forces launched Operation Barnabas. Through this program (the only one of its kind in the U.S.) together with our congregations, we accomplish three key goals: 1) Care for Reserve chaplains and their families and congregations; 2) Train and assist local congregations in the care, support and outreach to all military connected people in their congregations and their communities; and 3) Serve as a resource to other organizations that provide care to military connected people.
